## Jones and Bilmartin.

The former Hawaii wheel racers,  
Allan Jones and Bilmartin, are now  
prominent in the Australian race meet-  
ings along the big circuit. Bilmartin  
lately won the mile championship, with  
Jones a close second. The boys write  
to friends here that the game is still  
fairly good in the Colonies, but nothing  
at all to what it was a few years ago.  
The wheel factories no longer have sal-  
aried riders, making at the most the  
concession of loaning a mount. The  
attendance at meets continues to num-  
ber well into the thousands and the  
money prizes are liberal. Jones and  
Martin are both very popular.
